P.C.

1. Heard. Delay is condoned.

2. So far as the review application is concerned,

we find that the petitioner's surplus land has been taken in possession in the year 1973 and thereafter it has been distributed in the year 1973. On the day the possession is taken the land vests in the Government, and the day one the petition is filed or the present review petition is filed there was/is no locus for the petitioner to make a grievance in respect of that. Even we do not find any substantial question of law involved in the review. Review petition is hereby rejected.
